

THE ODES OF SOLOMON

THE FIRST CHRISTIAN HYMNAL

IMAGINE

Imagine joining voices in worship with the first Christians. Imagine singing their songs of praise, standing together in spirit with those who first responded to the message of the gospel and from whom we have all learned our faith.

That is what is available through the songs of **THE ODES PROJECT.**

It is a pilgrimage of praise with new music by John Andrew Schreiner and lyrics as old as the Church itself yet still fresh in the joy of the Lord.
